did you know?

It is impossible for most people to lick their own elbow. (try it!)

A crocodile cannot stick its tongue out

A shrimp's heart is in its head!

It is physically impossible for pigs to look up into the sky

Like fingerprints, everyone's tongue print is different

A shark is the only known fish that can blink with both eyes

A cat has 32 muscles in each ear

An ostrich's eye is bigger than its brain

Tigers have striped skin, not just striped fur

The giant squid has the largest eyes in the world

Most people fall asleep in seven minutes

Ostriches can run faster than horses, and the males can roar like lions

The bat is the only mammal that can fly

For every human in the world there are one million ants

The sentence "The quick brown fox jumps over a lazy dog." uses every letter of the alphabet
